HAIR: Brown

WANTED FOR: Conspiracy, Grand Theft, Breaking and Entering

CASE: The Treasure Hunt Amusement Park Heist

PROFILE: Isissable is a traveling artist and a POI in the storage locker robbery at The Treasure Hunt Amusement Park. It is believed that she may have information regarding The Heist, specifically the disposition of certain stolen goods. Always on the move, she has not yet been located for questioning.

LAST KNOWN MOVEMENTS: Isissable leaves a trail of murals in her wake, never staying in one place long enough to do more than one. She was last reported to be painting in Salem, Indiana. She was finished and gone before authorities could respond to the scene, but a piece of paper* was found in the mural wall behind a loose brick, presumably left for an accomplice.
