DETECTIVE: Thank you for coming today. We really appreciate your time.

PALEN: Yeah. I'm real happy to be here. Thank you. Whaddya want?

DETECTIVE: Well, we're hoping you can help us. I'm sure you heard about the robbery that took place over at The Treasure Hunt Amusement Park, right?

PALEN: Yeah, of course. It's all over the front pages these past couple weeks. Everybody knows about it.

DETECTIVE: We have reason to believe that you're involved and know the whereabouts of at least some of the stolen property. Some credible witnesses put you in the area some six hours prior to The Heist, as well. Would you mind telling us what you did that night?

PALEN: What did I DO that night? What did I DO?!? Lemme tell ya what I did, Sweetcheeks...I hit a round on the green like I nevah hit before. Even sunk an Ace on the Five. They called me Cap'n Hook for the rest of the day. Go figure! Then I got picked up by a dirty copper on the wrong side of the law. Funny thing is you look JUST like him... Heh heh... Now listen here, Pig...You already got enough from me. I ain't sayin' nothin' else. Not until I got a good Lawya and one a my Cronies on the bench! Hey waaait...whereya goin'? You got a cig? Howa boutta Jack, Jack?

DETECTIVE: Alright, Kitty. Have it your way. You're free to go, but I wouldn't leave town if I were you.
